Re: RQ-2 Notice Regarding the FEC Form 3 April Quarterly Report (01/01/2011 – 03/31/2011) of Georgians for Isakson (Identification Number: C00384693)

Dear Madam Secretary:

This letter issues in response to a RQ-2 Notice provided to the Georgians for Isakson political committee (Identification Number: C00384693) by the Federal Election Commission (FEC or the "Commission") on October 6, 2011.

In light of a preliminary review of Georgians for Isakson's FEC Form 3 April Quarterly Report, the Commission requested that the committee provide it with additional information regarding two distinct issues – the categorization of certain itemized disbursements and the disclosure of reimbursements to committee staff for travel and subsistence advances. Subject to these requests and the committee's obligations under the Federal Election Campaign Act and associated federal regulations, Georgians for Isakson hereby files the attached amendments to its FEC Form 3 April Quarterly Report, Schedule B. These amendments and the supplemental information contained within this letter should comprise a satisfactory response to the Commission's recent requests for additional information.

The first item referenced for additional information by the Commission's RQ-2 Notice regarded the committee's use of the descriptions "Bonus" and "Gifts" to describe certain itemized disbursements on its FEC Form 3 April Quarterly Report, Schedule B. As requested, Georgians for Isakson has amended its Schedule B for the committee's FEC Form 3 April Quarterly Report to provide supplemental data concerning the identified disbursement entries. The information provided in the attached amendment should provide the Commission with sufficient detail regarding the purpose of the identified disbursements to satisfy the requirements of 11 CFR §104.3(b)(4)(i)(A) and other pertinent FEC regulations.

The second item referenced for additional information by the Commission's RQ-2 Notice regarded the committee's disclosure of reimbursements to staff for travel and subsistence advances. Specifically, the Notice requested that Georgians for Isakson amend its FEC Form 3
